YOUR PROFESSIONAL ASSOCIATION

On behalf of SEA, SECA, NIPSCO and SCSBDA we would like to welcome you to Seminole County. In the presentations that you will hear today, you will be introduced to the collaborative environment the Association has with SCPS. We work together to ensure that our students have the best education available by taking care of the people who take care of them.

There are three main reasons that people join their Professional Association:

1. You are a professional and by joining you are supporting your profession.
2. Benefits – By joining your local Association you also become a member of the state association (FEA) and two national associations (NEA and AFT). Because our membership is over two million, companies create free and discounted services for our members. The benefits include items such as \$10,000 in free life insurance, discounts on auto insurance, dependent auto insurance, fabulous rates on home loans and auto loans, free hearing screenings, hotel discounts, and many, many more!
3. Advocacy – As you enter your job the first day you will be entering a relationship with administration, colleagues, students, and parents. These relationships will be exciting and rewarding! Like any good relationship there might be days that issues come up and you'll need assistance to resolve them. Maybe you will need help resolving a payroll issue or you will need help addressing a “needs improvement” on your evaluation with your principal. These are just two examples of the many services we provide.
